MAI Journal 2(2), 2013

The caption for Figure 7 on page 139 is incorrect. It should read:

Ecological decline in Lake Waiorongomai Stream to sea, which was once a revered mahi-nga kai. Today the stream is choked with water celery weed (*Apium nodiflorum*), an indicator of highly nitrified water due to stock access to water. Photograph taken 12 March 2012. Source: Huhana Smith.

The authors regret this error.
